

campbelltown city
baptist church

Hi everyone,

What a crazy couple of weeks it's been. We hope you and your family are well and are excited about celebrating Jesus over Easter (and every day). Easter reminds us how God has been good to us. God loved us so much that He gave His own Son's life for our sake. Rejoice and be glad for God has risen for us. Happy Easter!

Love from The Kids Church Team

NOTE TO PARENTS

Please know that we are praying for you and your kids at this tricky and confusing time. What a blessing it is to know that in a world that's constantly changing, that we can be confident in Gods love, shown to us through the death and resurrection of Jesus Christ.

In this bag you should find activities for each of your kids according to their age group and a couple of goodies. Use as much or as little as you like.

If there is anyone you know who isn't receiving the church emails with the Kids Church resources or would appreciate a note please let us know via martynekennedy@gmail.com
